**IT'S THE
LORD'S DAY**

APRIL 7, 2024

Welcome to KBC

I recently read some interesting statistics about how we spend our time.

In an average lifetime, the average person spends 3 years in business meetings, 13 years watching TV, spends \$89,281 on food, consumes 109,354 pounds of food, makes

1811 trips to McDonalds, spends \$6881 in vending machines, eats 35,138 cookies and 1483 pounds of candy, catches 304 colds, is involved in 6 motor vehicle accidents, is hospitalized 8 times (men) or 12 times (women), and spends 24 years sleeping.

Now, of course, these numbers are just a guess, but it does put things into perspective. How many years would we spend reading our Bibles and praying for our family or the lost?

The Bible tells us in Colossians 4:5, that we are to Redeem the Time, or make good use of the time, and I submit to you, that today is a good *time* to begin.

Today at KBC

Our morning service begins at 10:30 am, and our evening service is at 6:00 pm.

In the morning service, the teens are dismissed for their class during the last hymn.

Today's Scripture Readings: Psalm 93 and Psalm 94
