**IT'S THE
LORD'S DAY**

APRIL 28, 2024

Welcome to KBC

The first two Scottish missionaries sent to the New Hebrides Islands were killed and eaten by cannibals on the day they arrived. After that it proved difficult to find missionary volunteers. But even when John G. Paton agreed to go, well-meaning people in the church tried to dissuade him.

One elderly man warned that he would be eaten by cannibals. Paton replied, *“I confess to you, that if I can but live and die serving and honouring the Lord Jesus, it will make no difference to me whether I am eaten by cannibals or by worms; and in the Great Day my resurrection body will arise as fair as yours in the likeness of our risen Redeemer.”* After fifteen years of fruitful ministry, almost everyone on the island of Aniwa where Paton ministered was converted.

Serving God is not a guarantee of an easy life. But we are called to a life of service, even if it means giving up everything. *“Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me.”* (Matthew 16:24).
