MONTH**

MAY 26, 2024

Welcome to KBC

David Livingstone was a Scottish missionary and explorer who spent thirty-three years in the heart of Africa. He endured much suffering as he laboured to spread the Gospel and open the continent to missionaries. This godly missionary once remarked:

“People talk of the sacrifice I have made in spending so much of my life in Africa. Can that be called a sacrifice, which is simply paid back as a small part of a great debt owing to our God, which we can never repay?...It is emphatically no sacrifice. Say rather it is a privilege.

Anxiety, sickness, suffering, or danger now and then with a foregoing of the common conveniences and charities of this life, may make us pause, and cause the spirit to waver, and the soul to sink, but let this only be for a moment. All these are nothing when compared with the glory which shall hereafter be revealed in and for us. I never made a sacrifice. Of this we ought not to talk, when we remember the great sacrifice which HE made, who left his Father’s throne on high to give himself for us.”
