Looking Unto Jesus

When the wife of missionary Adoniram Judson told him that a newspaper article likened him to some of the apostles, Judson replied, "I do not want to be like a Paul...or any mere man. I want to be like Christ...I want to follow Him only, copy His teachings, drink in His Spirit, and place my

feet in His footprints...Oh, to be more like Christ!" What an incredible spiritual goal for our life to strive to be like Jesus. It was indeed the goal of Paul each day, which changed his perception of trials and difficulties that came into His life.

It's easy for us to focus our attention on the race of another Christian, but comparison only hinders our walk with God. The Bible tells us that such a comparison is not wise. Our eyes must be focused on Jesus every day, striving to be more like Him in our actions and attitudes.

My prayer is that our services will be a blessing to your heart. Our goal for both morning and evening services is to help you turn your eyes to Jesus. Remember all that He accomplished for, and in you, and His glorious work in the future. God bless you all.
