# Welcome to KBC

What a blessing it is to be in the house of the Lord on the Lord's Day. The early church traditionally met together on the first day of the week to celebrate their risen Saviour. They read God's Word, and sang songs of praise about the faithfulness and goodness of God, which we hope to accomplish this Sunday as well.

We have an incredible opportunity to be able to attend a church that preaches the Bible. It's what I believe will make a difference in your life. But we cannot just be a hearer of the Word, but a doer as well. We have to make an effort to allow God's Word to change the direction of our life.

It was Paul who said that we must "*work out your own salvation with fear and trembling.*" It's obeying the Spirit's leadership in our lives each and every day, starting here today in the house of the Lord.

I am encouraged by your attendance at our services today, and I pray that God will use these times of worship as a stepping stone in your life.
